

Integrity • Excellence • Compassion
Insurance and Financial Policy:

At **Bloom Family Dental**, we believe that you deserve only the finest care. That's why we always present you with the best dental solution possible to treat your personal situation. Each year we provide premium dental care to hundreds of patients. Some patients have dental benefits provided by insurance, but most do not.

Here are some important things you should know:

- Your dental benefits are based upon a contract made between your employer and your insurance company. As a courtesy to our patients, we will provide you a complimentary insurance check to find out your personal coverage. We will also file your claim, handle all the paperwork necessary and help you get the maximum insurance benefits you deserve. A treatment plan provided by our practice is an estimate of benefits based upon the most recent data available from your insurance carrier. Often times, insurance companies or your employer can make a change to a group, plan, or benefits without informing us. This treatment plan should be considered as an estimate provided by us, you are responsible for any balances or services rendered which are not covered by your insurance company. A current insurance identification card must be presented at each appointment
- Your payment or co-payment amount will be expected at time of service. You are responsible for any and all co-payments and deductibles dictated by your insurance company. We will not become involved in any disputes between you and your insurance carrier.
- Copayments for minor children are the responsibility of the individual bringing the child to the appointment. **Bloom Family Dental** will not bill two separate households for payment.
- We currently accept all private care insurance plans (plans that do not require you to select a dentist from a list or require our office to accept a reduced fee for service).
- A 5% courtesy discount will be extended when the balance is *paid in full at time of service by cash or check only*. For the convenience of our patients, we do accept MasterCard, Visa, and Care Credit Financing.
- In the event of an emergency after regular business hours a \$50.00 emergency fee will be added to the necessary treatment fees. Patients who are not established in the practice will be charged \$150.00 after hour's fee which will be collected upon arrival. Only a major credit card in conjunction with photo identification will be accepted.
- For multiple cancellations or no shows, patients may be subject to a \$50.00 charge at the discretion of the practice.
- Delta Dental Subscribers are required to pay in full at time of service as their insurance company submits the reimbursement checks directly to them. Reimbursement checks are usually received within two weeks of treatment.

I agree with the above conditions:
